

Respiratory Pathogens Series

RT-PCR Detection Kits

Qualitative & Quantitative Tests

1/2

FEATURES

- ✓ **Lyophilized** pack for testing anytime.
- ✓ High precision and sensitivity.
- ✓ No cold chain any more.
- ✓ Certificated with CE.
- ✓ Room temperature (below 30°C) storage up to 12 months.

Test Item	Packaging
Diagnostic Kit for Respiratory Syncytial Virus (RSV) RNA	48 Tests/Tube
Detection Kit for 2019-nCoV RNA (Multiple RT-PCR Fluorescence Probing)	
Detection Kit for 2019-nCoV RNA (Multiple RT - PCR Fluorescence Probing)	
Microarray PCR Diagnostic Kit for Nucleic Acid of 15 Respiratory Viruses	
Microarray PCR Diagnostic Kit for Nucleic Acid of 18 Respiratory Viruses	
Detection Kit for Middle East Respiratory Syndrome RNA	
Detection Kit for Middle East Respiratory Syndrome RNA (Multiplex)	
Detection Kit for RSVA/RSVB/ RNA	
Detection Kit for Respiratory Adenovirus DNA	
Detection Kit for Mycoplasma Pneumoniae DNA	
Detection Kit for Chlamydia Pneumoniae DNA	
Detection Kit for Streptococcus Pneumoniae DNA	
Detection Kit for Human Rhinovirus RNA	
Detection Kit for Rubella Virus RNA	
Detection Kit for Measles Virus RNA	

Test Item	Packaging
Detection Kit for Rubella and Measles Virus RNA	48 Tests/Tube
Detection Kit for Bocavirus RNA	
Detection Kit for Metapneumovirus RNA	
Detection Kit for Coronavirus 229E RNA	
Detection Kit for Coronavirus OC43 RNA	
Detection Kit for Coronavirus NL63 RNA	
Detection Kit for Coronavirus HKU1 RNA	
Detection Kit for Legionella Pneumophila DNA	
Detection Kit for Legionella spp. DNA	
Detection Kit for Tubercle Bacilli DNA	
Detection Kit for Epidemic Meningococcus	
Detection Kit for Respiratory Adenovirus Type 4	
Detection Kit for SARS Virus	
Detection Kit for Novel Coronavirus MERS (SARS-like Virus)	
Detection Kit for Haemophilus Influenzae Type B	
Detection Kit for Streptococcus scarletus	
Detection Kit for Pertussis Bacillus pertussis	
Detection Kit for Diphtheria bacillus	
Detection Kit for Group A Streptococcus	
Detection Kit for Group B Streptococcus	
Detection Kit for Klebsiella Pneumoniae	
Detection Kit for Methicillin-resistant Staphylococcus Aureus Resistance Gene	
Detection Kit for Vancomycin Resistance Gene of Staphylococcus Aureus	
Detection Kit for Super Bacteria Resistance Gene (NDM-1) Nucleic Acid
